## WHITE LAKE COLONY

JERRY HOFER

Purebred Charolais

40 Long Yearling Bulls

Ph: 403.332.2261

**WELCOME  
TO  
WHITE LAKE COLONY  
2017  
CHAROLAIS BULL SALE**

**THANK YOU** to **ALL** who purchased a bull in 2016!!!  
I have been raising quality Charolais bulls for over 20 years, therefore I am offering to you an outstanding set of bulls that will bring you outstanding results.  
All bulls sold are semen tested  
All buyers note that I would like the opportunity to purchase your calves in the fall

All bulls purchased from White Lake Colony, or Cattle Creek Ranching must be insured if not taking them home from the sale. If you purchase a bull and wish to pick up at a later date they will be available for pick up from White Lake Colony and must be picked up prior to April 1<sup>st</sup>, 2017.  
Please call Jerry to make arrangements **403.332.2261**  
or Stephen at **403.332.2284**

**LOOK FORWARD TO SEEING YOU AT THE SALE ON  
MARCH 10<sup>TH</sup>  
AT  
BALOG AUCTION,  
LETHBRIDGE, AB**

## *Samtia Angus*

**Lee, Layne, Sam and Tiana Gleim**

Box 4467 Taber, AB T1G 2C8

(403)223-8442(H) 403-795-0004(C)

[layneg@cciwireless.ca](mailto:layneg@cciwireless.ca) [samtiaangus.com](http://samtiaangus.com)

We would like to welcome everyone to the Three Choice Bull Sale. The Samtia Angus herd consists of approximately 85 Black Angus bred females. Our family has been raising cattle for over 25 years and the last 12 years we have moved our herd entirely over to raising purebred Angus and a small selective group of Speckle Park purebred females. We strive for cattle that offer a lot of performance and muscle along with great feet, hair, udders and disposition. The cows are very important to our operation as we feel they are the building blocks of our program. We do not creep feed our calves as we feel this gives us a great view at what the mothers do based on genetics. Docility is a huge thing for us at Samtia Angus and you will notice that a large group of our sale offering has been halter broke. There are a number of heifer and cow bulls to choose from so there is something for everyone. Our sale bulls also go through a very strict culling program and only our top bulls make it to sale day. All the bulls we are selling in this sale are virgin bulls and are semen tested, vaccinated and ready to go. We encourage you to come take a look at the bulls prior to the sale along with the mothers. We look forward to seeing you at the sale March 10.

HARB PENDLETON 765 J H

**SAMTIA PRIMROSE 2Y**

- Sires progeny with lots of performance adding muscle, bone and depth and very feminine heifers with great udders and feet. His progeny is very easy fleshing and extremely docile.
- Dam won Supreme female at Frontier days in Swift current with this calf at her side. He returned the next year to win the Champion Black Angus bull at this same event. Our daughter showed his dam in many shows winning Supreme female at a number of events.
- We are very excited to have this bull in our possession and he serviced over 40 females for us this past breeding season and came back from pasture in incredible shape.

**PRIDOLA OF PRAIRIE OAK 16'05**

PRIDOLA OF PRAIRIE OAK 13'02

- A bull with a very different pedigree that we sourced from a herd in Manitoba possessing many "old" Angus blood lines. A heifer bull that is very easy calving with lots of vigour in his calves.
- This bull is extremely long, very athletic and very docile.
- He is "bomb-proof" in terms of use on heifers. His entire calf crop over numerous years ranged from 72 – 80 lbs no matter the sex. If you want to sleep at night, while your heifers are calving, this is the kind of progeny that this bull sires.

**MERIT JILT 7091**

MERIT JILT 4233

- We purchased this bull from BJ Cattle Company where he was the high selling Angus at the 2014 Medicine Hat Spring Bull sale.
- The sire of this bull won Supreme Champion Bull for all breeds at Regina Agribition 2 years in a row.
- This is a bull that throws incredible performance in all of his offspring with moderate birth weights. He possesses very thick bone and has an incredible large foot which is something that is disappearing from the Angus world today.

### HARB PENDLETON 765 J H

HARB BLACK LADY 375 J H

JUSTAMERE 1118 CASH 665P

### REMITALL QUEEN 670U

EBON HILL QUEEN 148'00

- This is a bull we raised out of the sire Harb Pendleton who was used in high volume in AI programs across North America for both his performance and calving ease. We used him on heifers and cows in our program and he produced both great females and bulls. Sire of our highest selling bull for us in spring of 2016.
- This bull adds lots of capacity along with great feet, udders and early maturity
- Lost due to injury.

- This bull was held back as a spare for ourselves and our customers but did not need to use him. He is out of the same dam as the 10D bull in this sale.
- He is out of a fabulous cow family that has great udders, hair and bone.
- Moderate birth weight which will make him a great fit for most programs.

### **RAISING & DEVELOPING a Cattle Creek Ranching Bull**

May/June - cows are calved in large open fields and checked morning and evening. At this time calves are weighed and tagged. All calves are vaccinated , we have a full herd health vaccination program.

Breeding – cattle are put into breeding fields and remain there until a 60 day breeding season is completed. Then cows with bull calves are sorted and put together until weaning which is mid November. Bull calves are then sorted and calves not making the selection are cut and fed out as steers.

Over the winter they are fed long stem hay and up to 6 lbs. of a pellet ration until May when they are moved to Whitelake Colony and fed a ration to develop the bulls to ensure longevity & structural development to the best of our ability.

### **All bulls have been semen & BVD tested to ensure QUALITY BULLS**

- Purchaser will receive copy of semen sheet

**Scrotal circumferences** – will be available Sale Day

### **ACCOMODATIONS:**

**Best Western Inn & Suites 403.329.6844**

209 41st St. S Lethbridge AB

## TERMS AND CONDITIONS

**TERMS** – The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**BIDDING** – Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes – Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

**PURCHASER'S RISK** – Each animal becomes the risk of the purchaser as soon as sold. **Insurance will be available on sale day.**

**ANNOUNCEMENTS** – Errors discovered in the catalogue will be corrected by announcements from the Auction Stand at sale time and such corrections will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

**CERTIFICATE OF REGISTRY** – A certificate of registry will be furnished to the buyer of each bull after settlement is made

**BREEDER'S GUARANTEE** – All bulls are sold sound and right and come with a responsible breeder's guarantee of satisfaction

**LIABILITIES** – All persons attend the sale at their own risk. The seller, facility owner and sale manager assume NO liability, legal or otherwise, for any accidents that occur.

**DELIVERY** – Arrangements can be made sale day for pick up or delivery to central points. Cattle will be cared for until transportation can be arranged. **Any livestock purchased must be insured if not taken home sale day.**
